

Figure 1. General Location of Proposed Temporary Housing Units
Marathon Oil Company - Zoning Map Change Application
August 3, 2012

The red outline shows the general location of the proposed zoning map change from the Industrial Zoning District to the Temporary Housing District. The final location of the area to be included in the zoning map change will be recommended by the Planning Commission based on input from the Marathon Oil Company representative. A survey certificate prepared by a North Dakota registered land surveyor will be used to provide the legal description of the area of the zoning map change.
